What is time?

The shadow on the dial,

the striking of the clock,

the running of the sand,

day and night

summer and winter,

months,
years,
centuries–

These are but arbitrary and

outward signs–the measure of time,

not time itself.

Time is the life of the soul.

Henry W. Longfellow

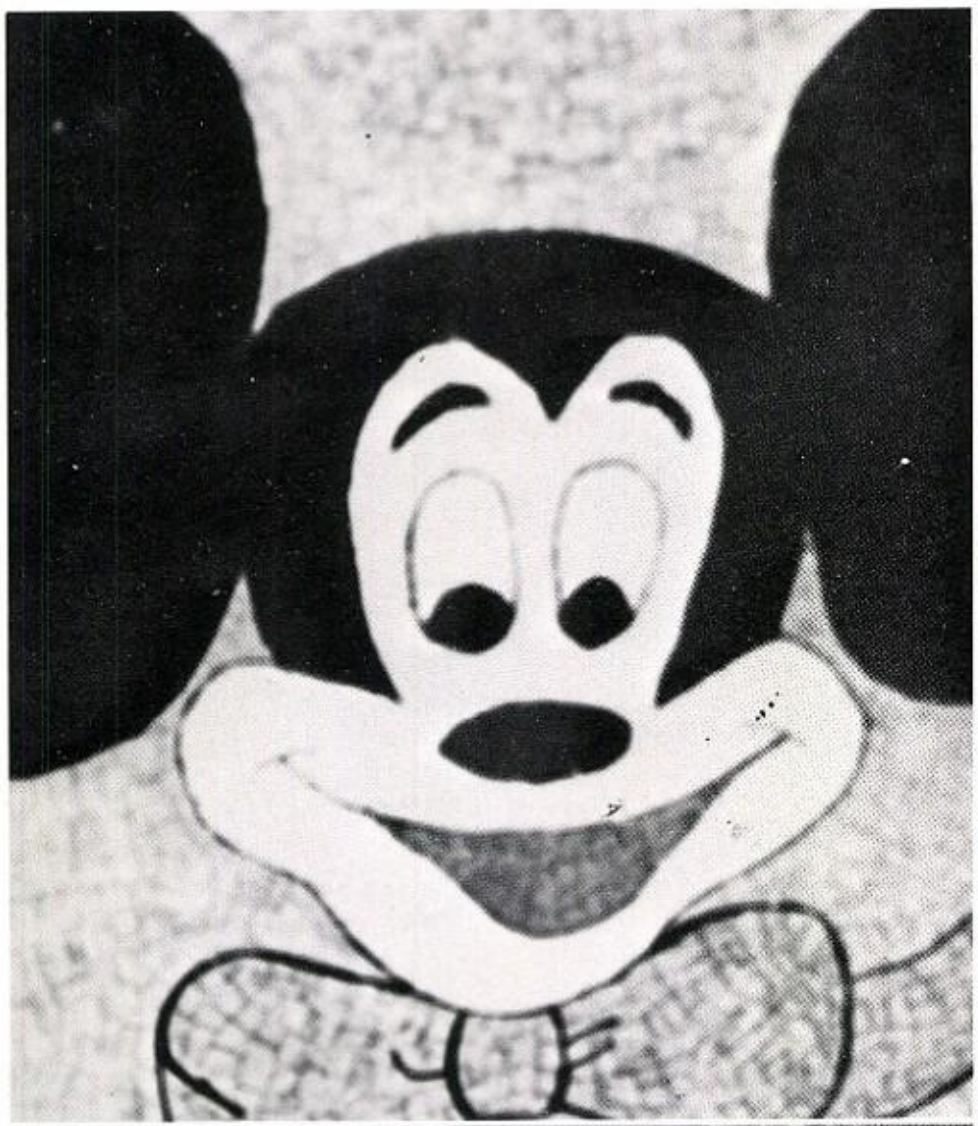
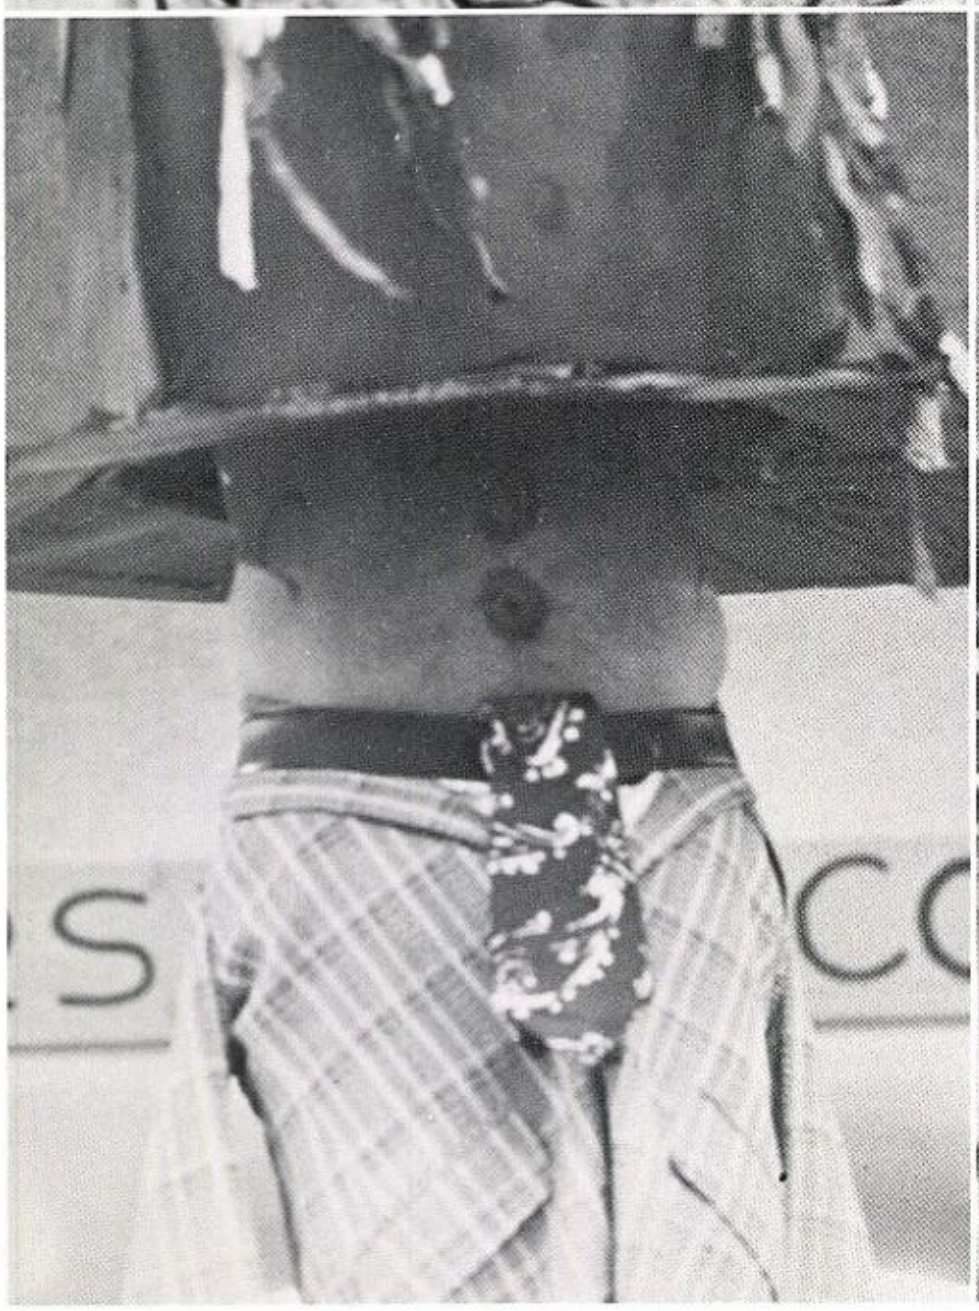
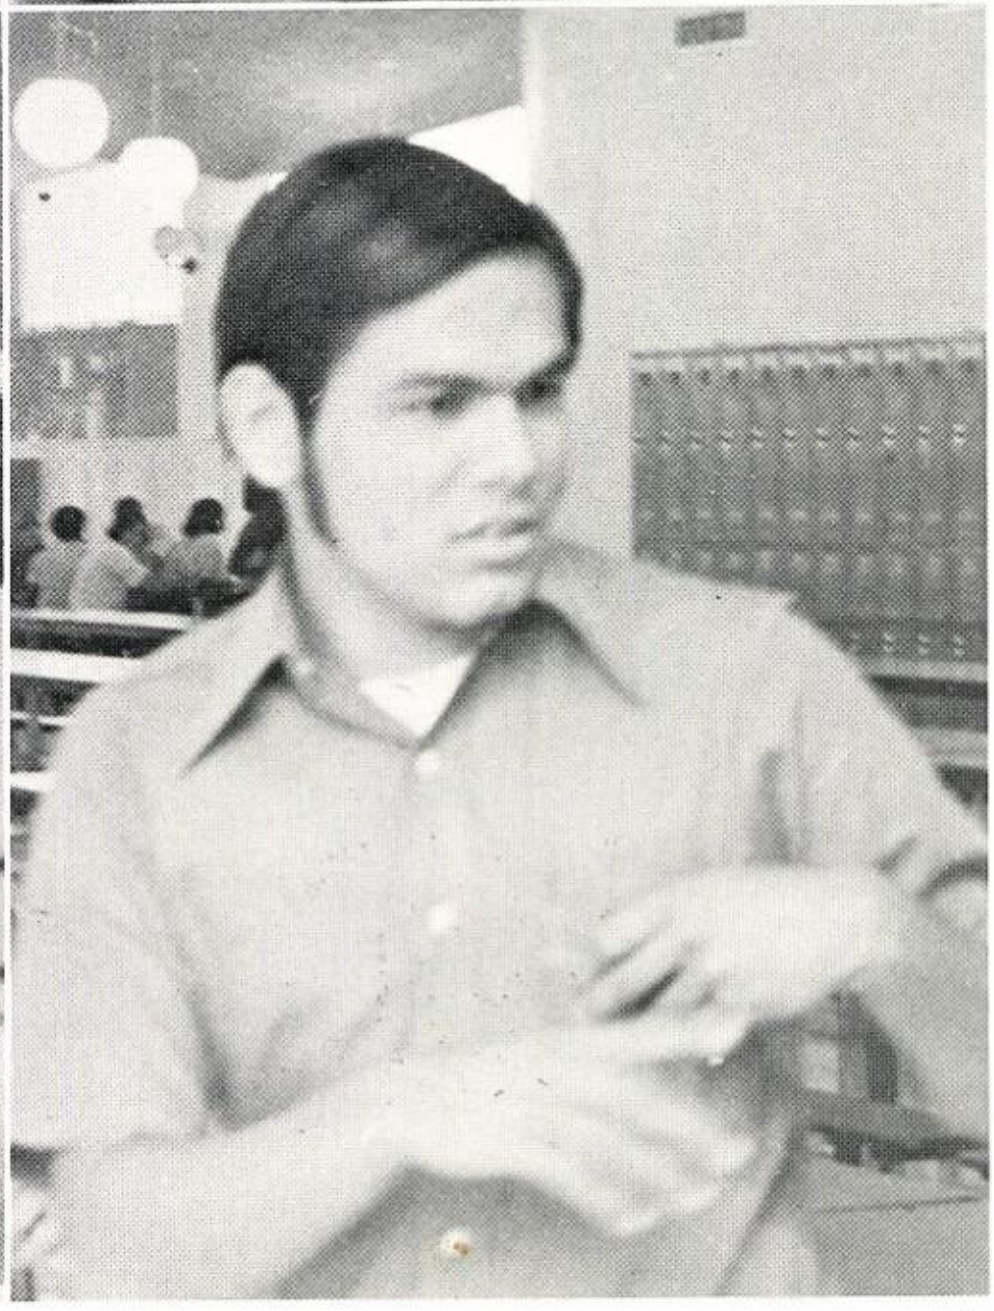
A Time To Laugh

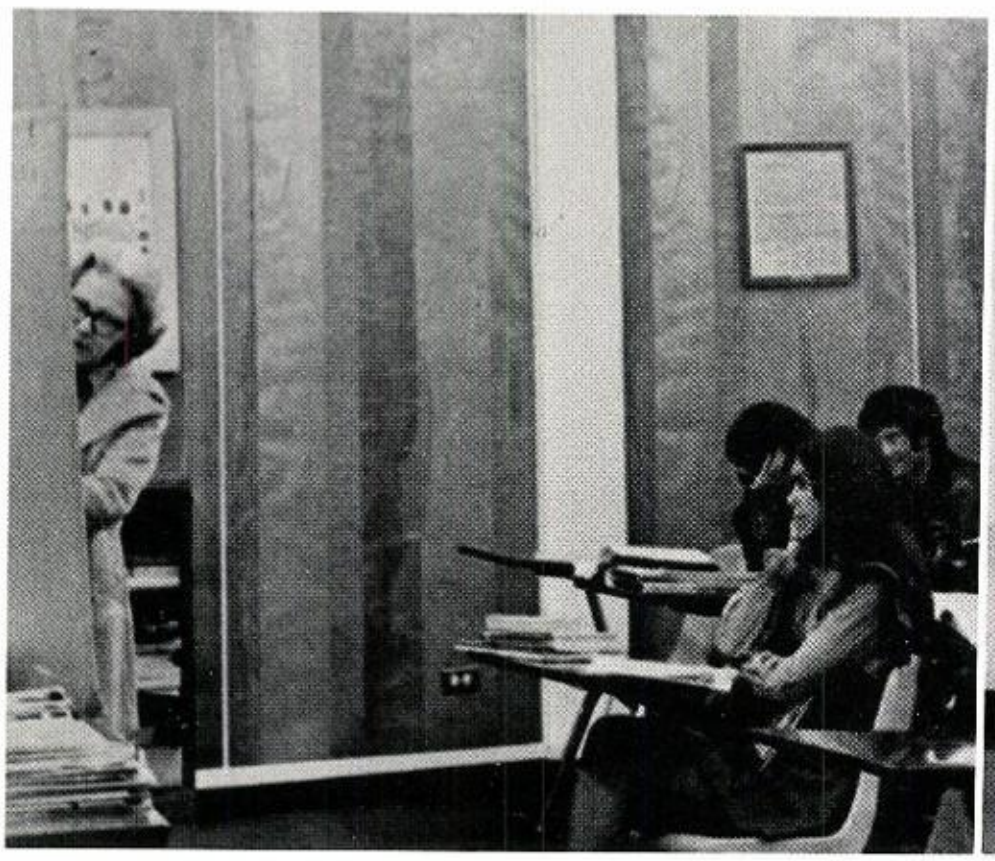


A Time To Frown

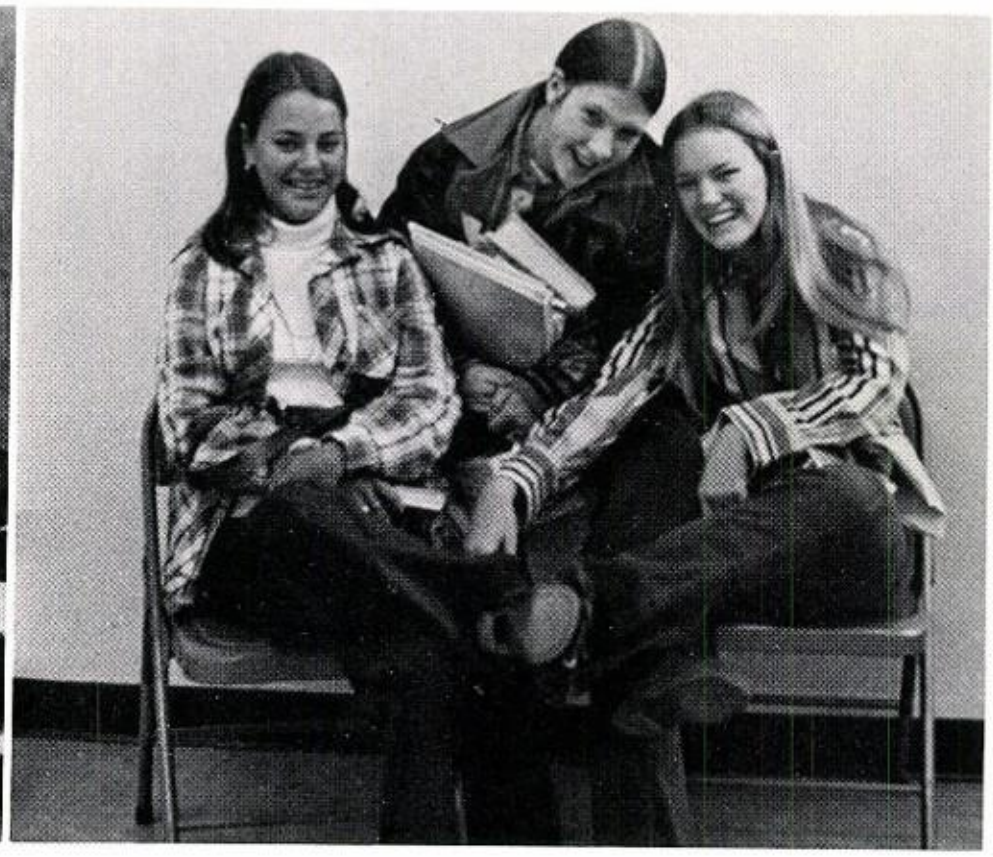


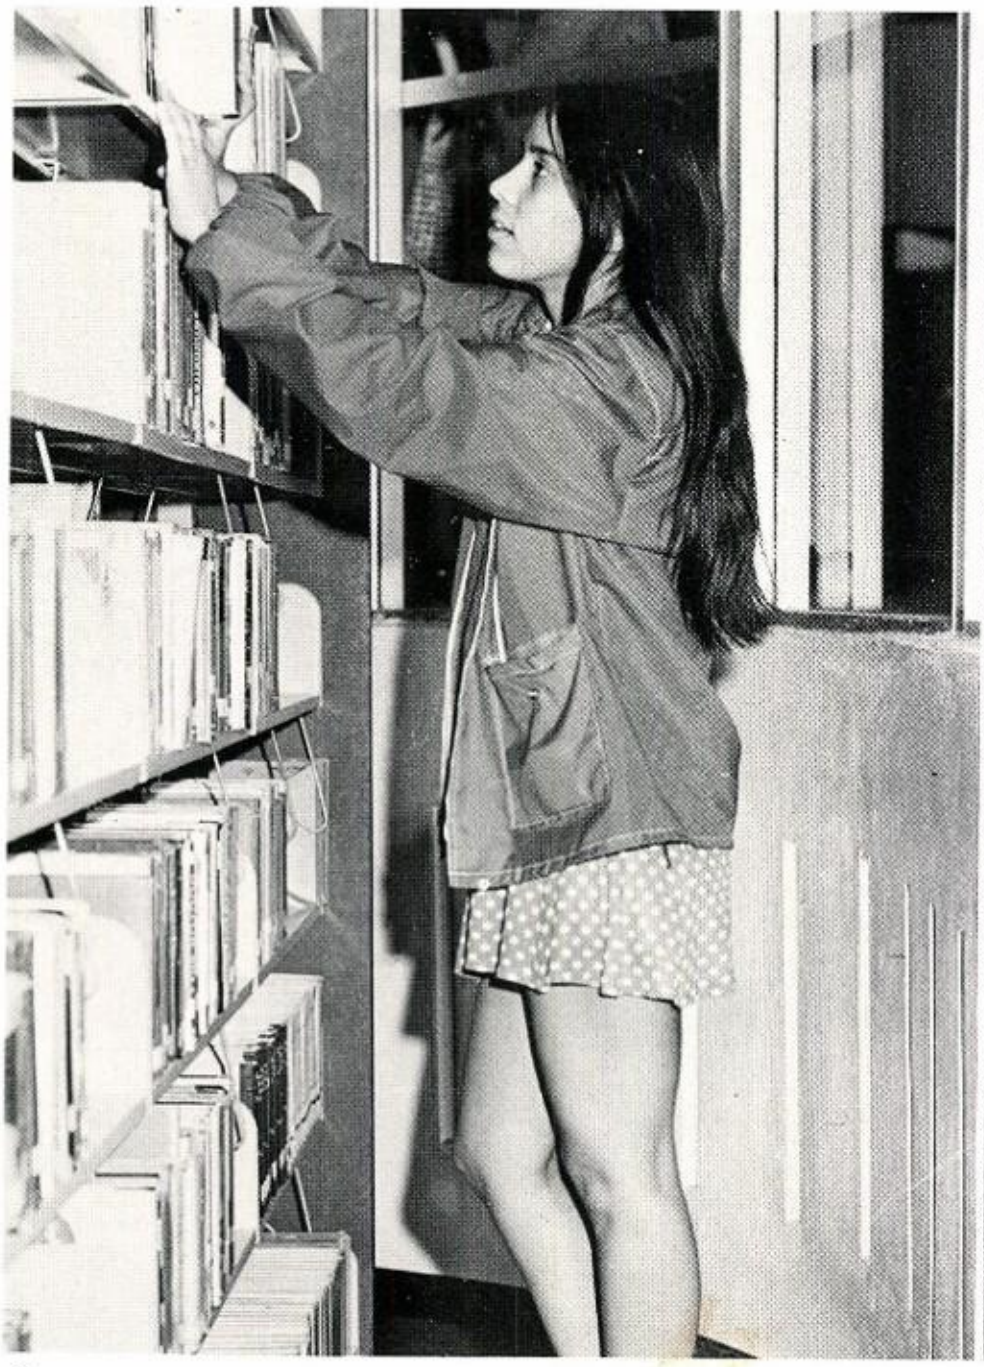


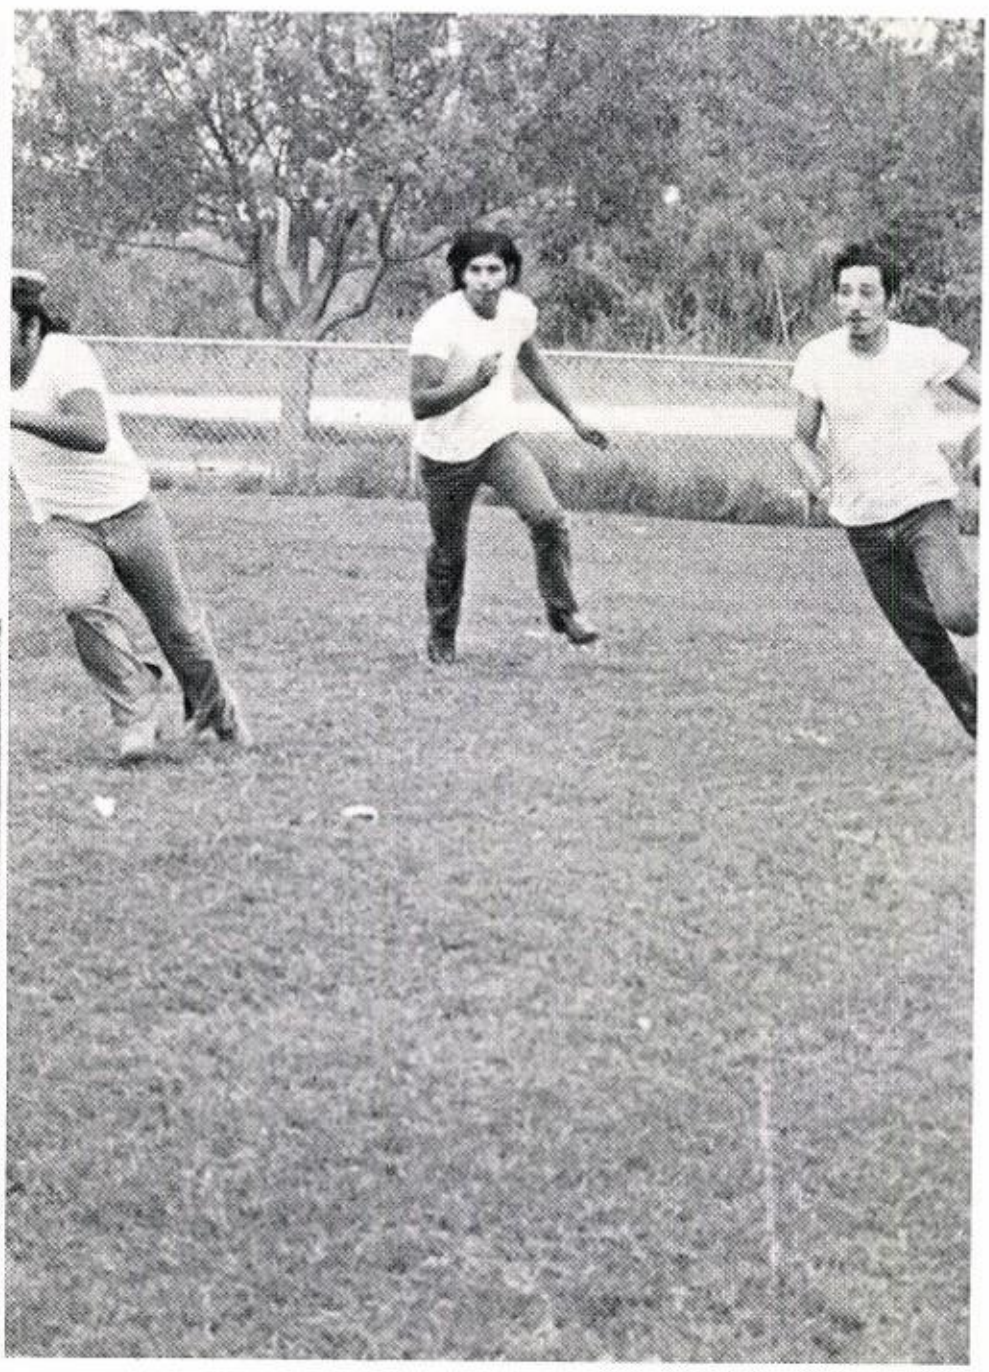
A Time To Work



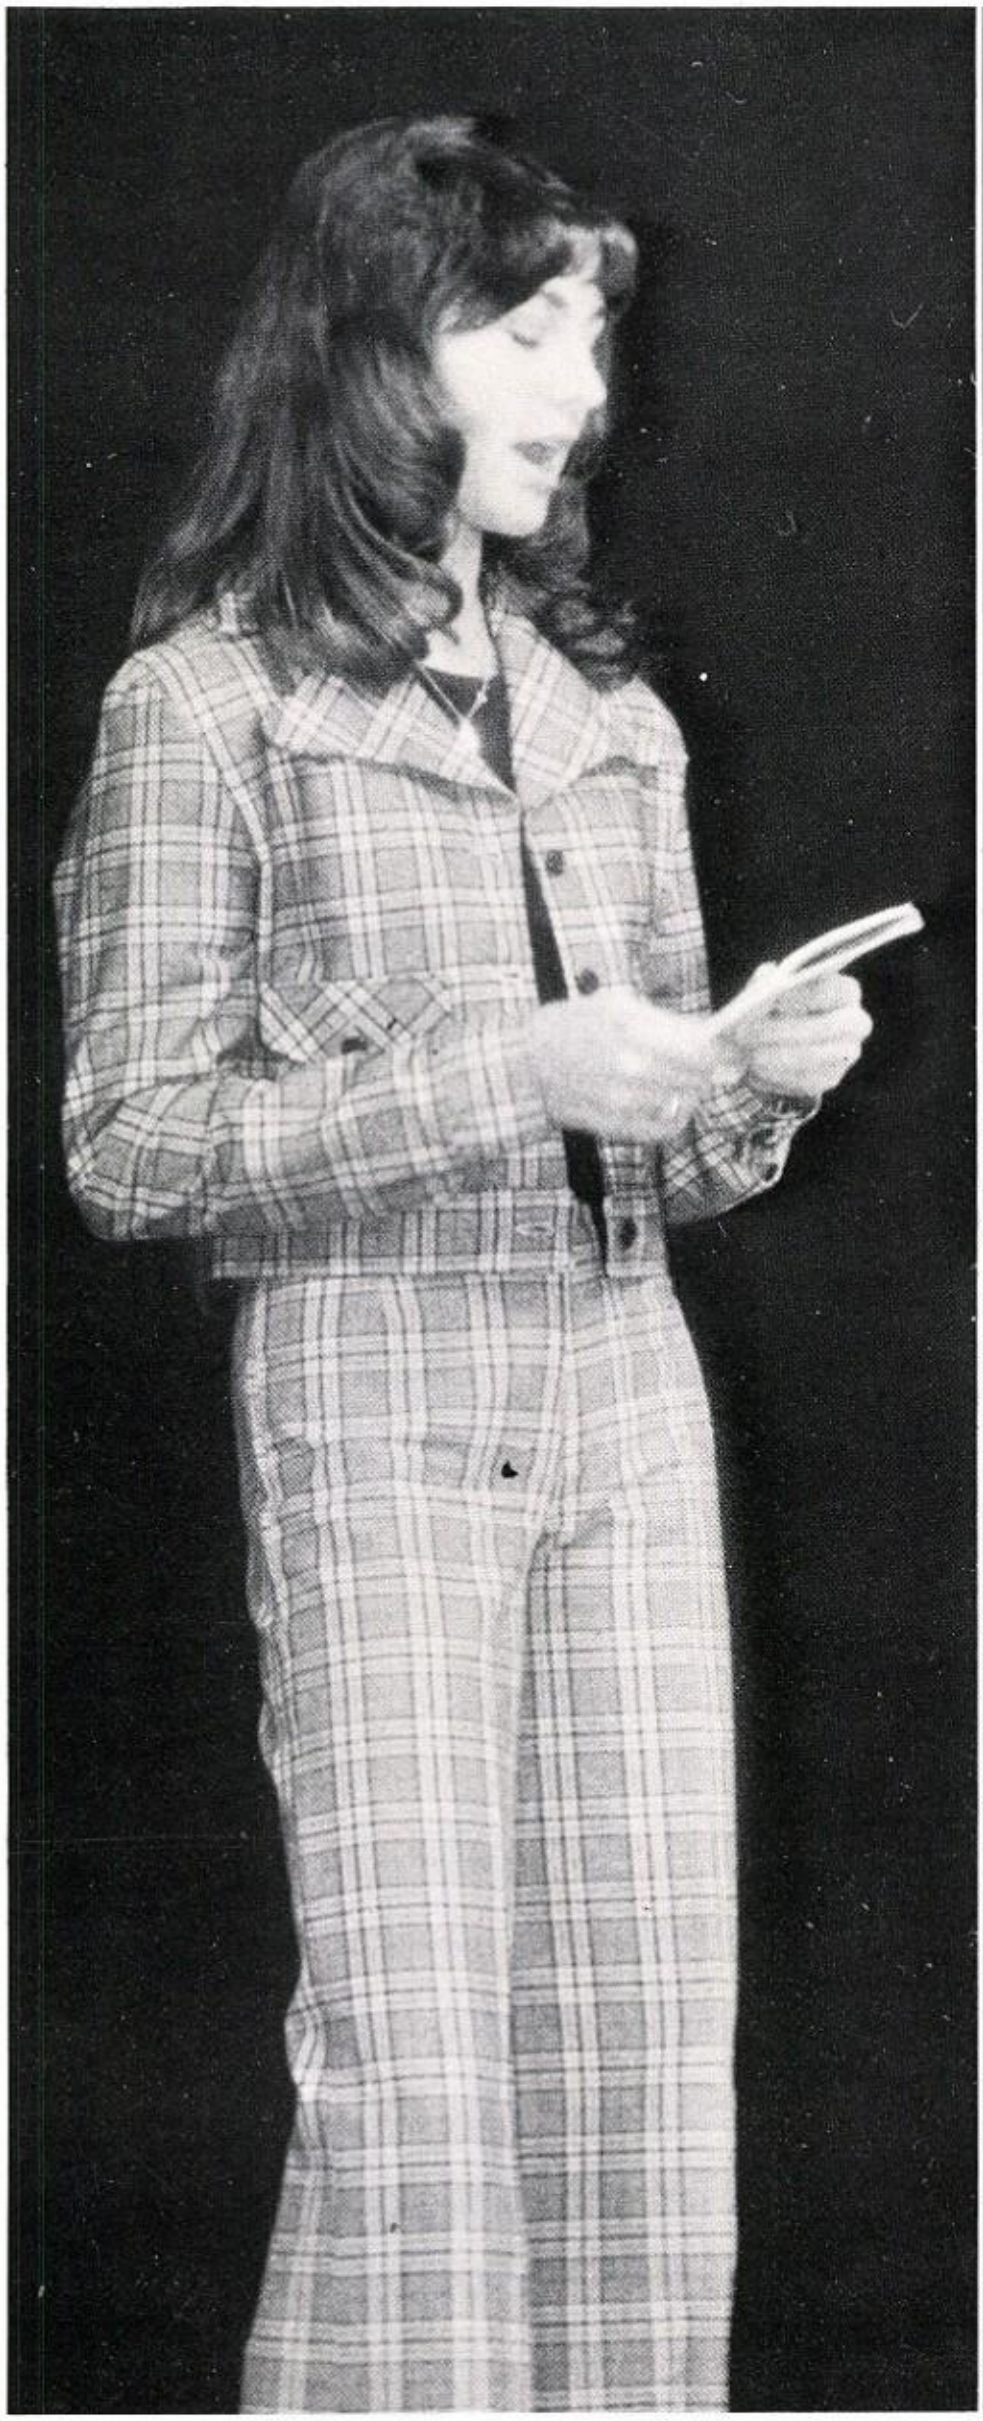
A Time To Play



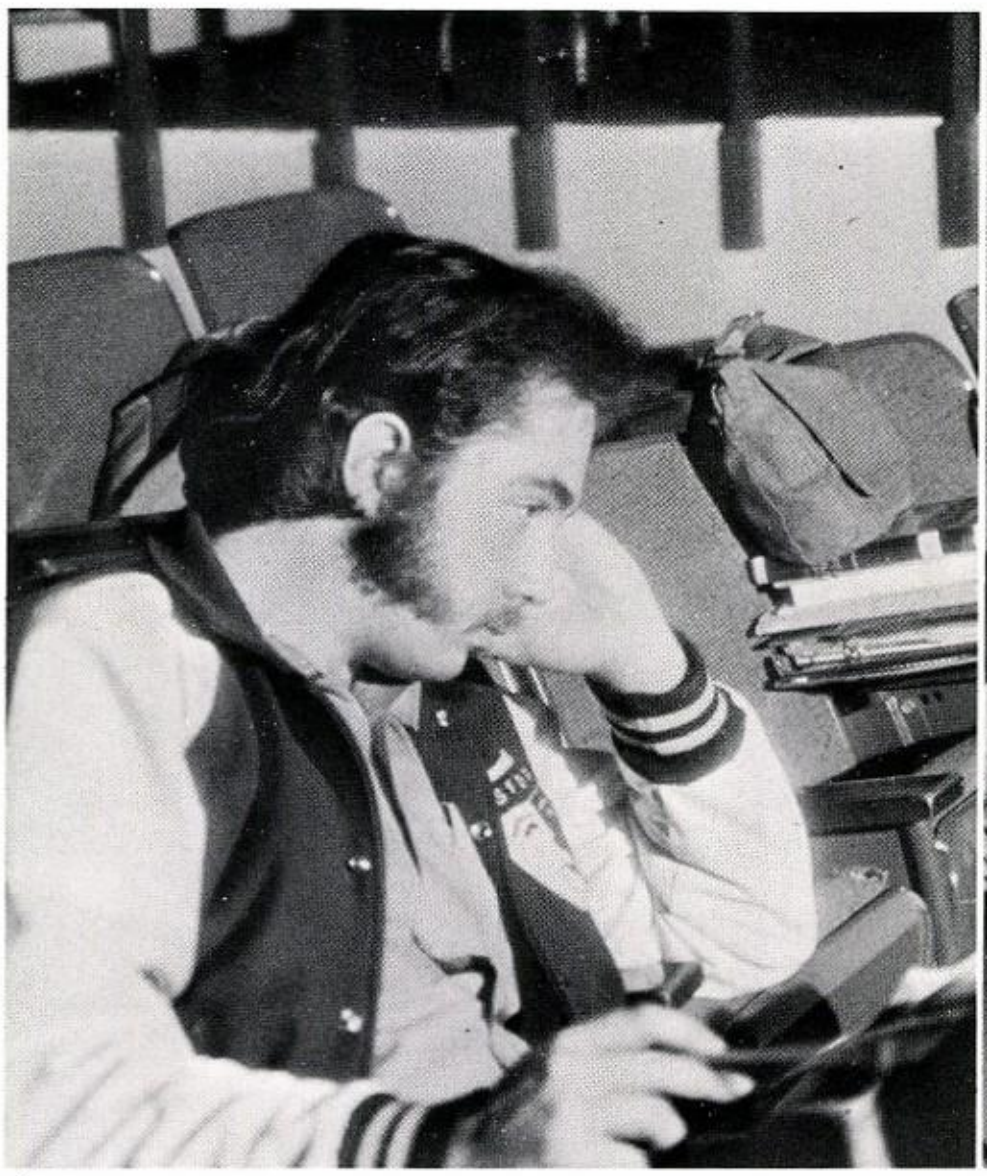


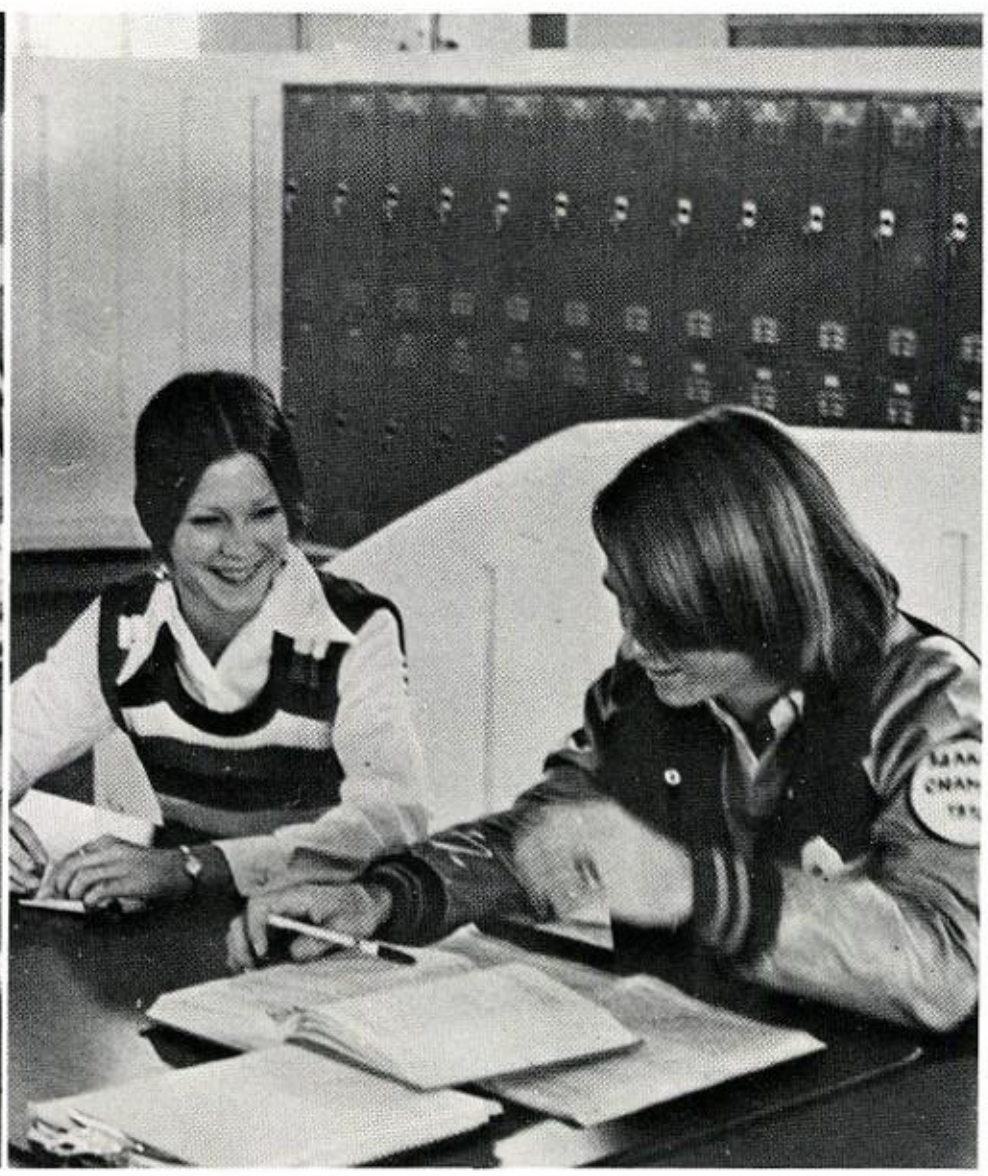


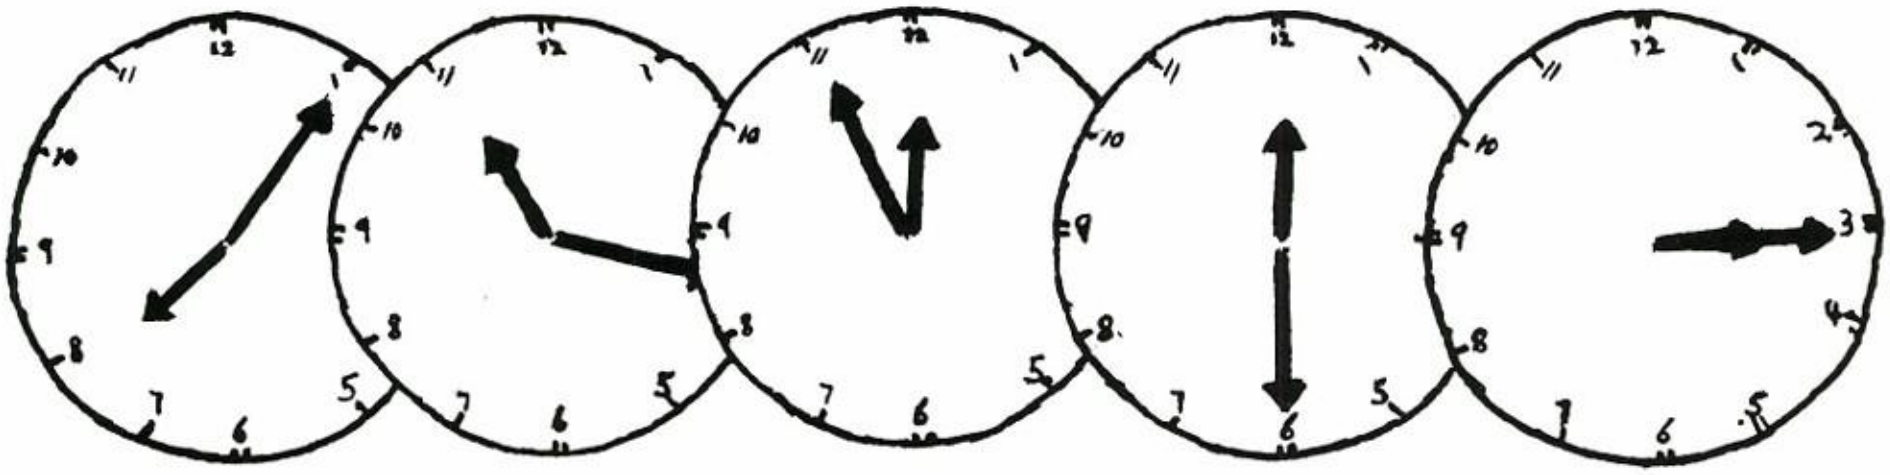
In Everyone's Life, There Comes A Time For Them To Stop Reading From A Script . . . .



And To Stand Up And Be Counted As An Individual!







Where would we be without our FACULTY
to lead us through out hardest times?
Though they are not always appreciated, deep down under all the homework and assignments handed us, there is a place in our hearts especially for them.

Our Principal

Simon V. Ramon

The year 1973-74 will be looked back upon as a significant one in the history of Del Rio High School. We have the largest student body the school has ever had. The curriculum has been expanded, and the faculty has a higher academic standing. We have attained Number One status in consolidation, scholastics, and athletics.

I challenge you, who return next year, to keep alive the friendliness and cooperation you have demonstrated this year.

To you who graduate, and to others who will not be back, remember that this is your school. Wherever you go, may you be loyal representatives of Del Rio High School.

Some of Many Senior Activities

One of many moments the Senior Class goes through. Just one more step closer to the final one. Orderin Senior invitations is harder than you think. Many undecided, some with many questions, and some who knov exactly what they want.

The Senior Class of '74 meet at one of their meetings to discuss what the Senior Class will do.

Seniors who attended the All Sport Banquet will long remember the special event.

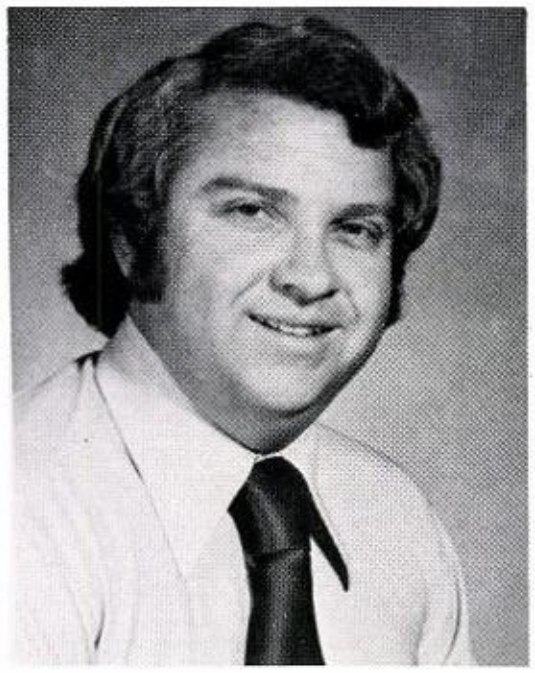
Sponsor—Mr. Bolner

We the Seniors of 1974, would like to recognize the Senior Class Officers and two great men, for all their efforts to make our Senior year the best.



Sponsor—Mr. Lane

Their purpose was to work for the Senior Class and that they did. They organized themselves to work for and with their Senior classmates to share and listen to their ideas and opinions. The word "quit" wasn't in their vocabulary, they sought for the betterment of the class and they sought it from the beginning of the year until the final step. They worked many hard hours to strive for this success. Homecoming Week, the picnic, the Senior Dance, the bench in memory of our lost friend, Jesse Lee Hernandez, are some examples of their hard work and success. They also worked to bring the Senior Class closer.

At this time we would like to thank Mr. Bolner and Mr. Lane for their time and interest to help us and taking the time out to do so. We really do appreciate your support. Without the cooperation of our Senior supporters most of the Senior Activities would not have been accomplished. Thank you, Seniors 1974

Seniors Say "Congratulations"

Debra Arlene Powers
(Pepper)

Football Sweetheart

Pepper was chosen as 1973-74 Football Sweetheart by the 32-AAAA District Champs, Ram Football team. She was chosen for her inspiration to the boys and for her enthusiasm in participating in pep rallies and at football games. Also for her personality and just being a friend.

"Congratulations Pepper"

Nancy Lea Davenport

Track Sweetheart

Nancy was chosen as 1973-74 Track Sweetheart
y the Varsity Ram Track team. She was chosen for
er personality in getting along with others. For that
mile that kept the track boys running, for they
new she'd be waiting at the end of the line. Also

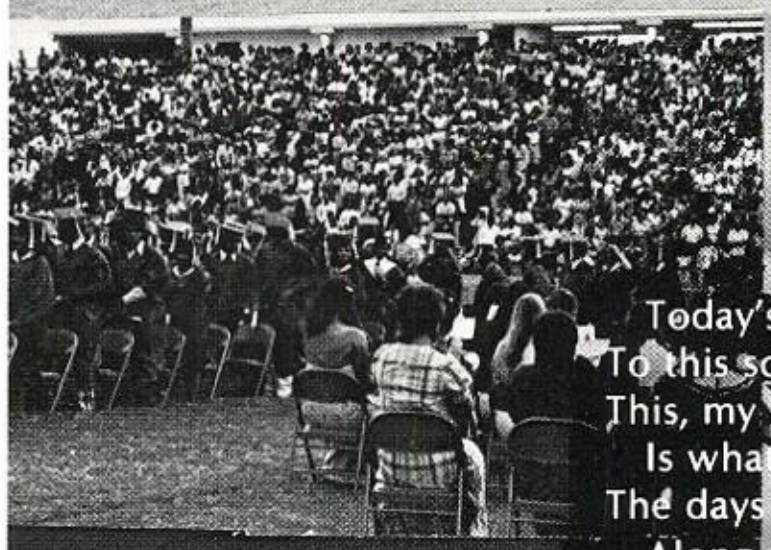
Commencement Exercise of the De



"Graduation Lament"

Today's the day I graduate;
To this school I come no more.
This, my goal, of the last 12 years
Is what I've been waiting for.
The days were laced with fun and games,
Along with my growing up;
I've developed a personality—
I've had to measure up.
Not only to test and teachers
Had to make it with my peers;
And now that the struggle is over,
I feel like shedding tears.
I'm going to miss my classmates
And the teachers' constant calls;
I'm going to miss the notes and such
We passed along the halls.
But with the diploma comes a sad
Thought growing inside of me:
My adolescent years are gone
I must now face reality.

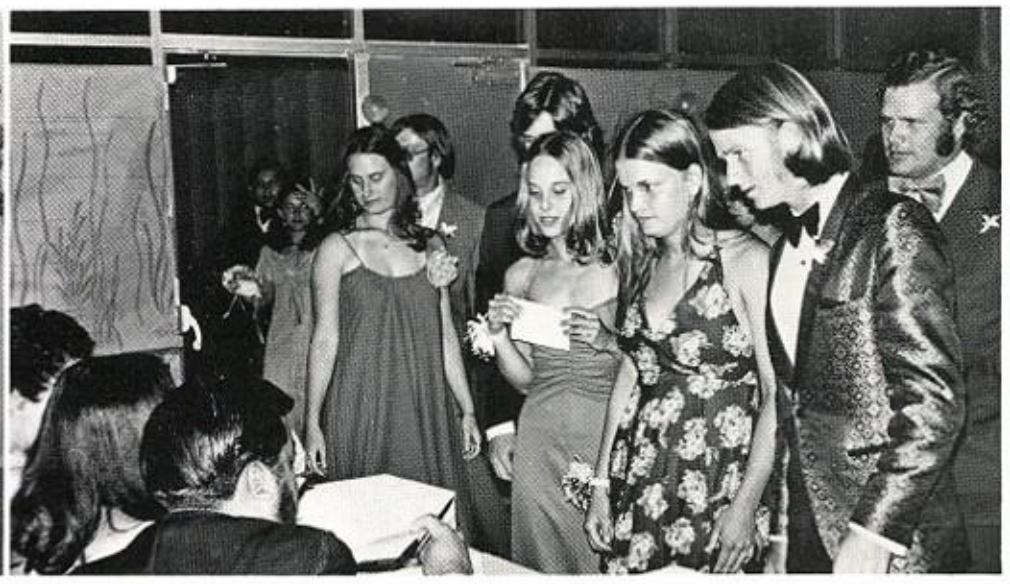
Senior Class in many moods.

Teachers always enjoy our Jr. Sr. Prom.

Mrs. Poole always devotes her time to show her love and care.

"What does yours say?" "I can't get mine out."



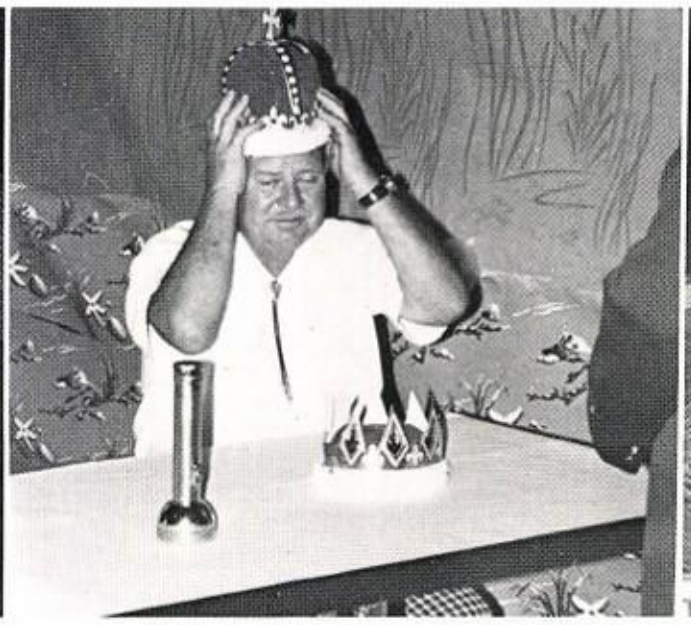
Srs. and Jrs. always get in.

"I feel like I'm at a Ball dancing with you."

1974 Jr. Sr. Prom

For many Seniors it will be their last prom, but for some it's just the beginning. But the memories of our Senior Prom will long be remembered by the Seniors. Seniors would like to recognize Kathy Myers and Joe Wallen, who were crowned our Prom Queen and King; and we also would like to thank the Junior class for the gift, the Prom.

Terry loves that punch.



Couldn't keep his hands to himself.

Editors Message:

"It has been our pleasure to have worked on the Annual Staff and also with you. It has been an experience v
feel everyone should go through. As a daily routine, we've been there at each pace of our Senior year, but as v
turn each page and see all the familiar faces we relive those golden moments. We hope you will be able to reli
every moment again as we have.

We were privileged to have been able to work on the Senior Section for we are Seniors and we were able
express the Senior Class feelings as well as our own for we were there at each moment. We have put many ha
working hours into our section but we feel it was all worth it. We hope we have been able to capture most
our Senior moments for it is impossible to have captured them all.

As we proofread our final pages we find it very difficult to believe we are finished, we only wish you will e
joy it as much as we have enjoyed working on it. We didn't have much to work with but we feel we did o
best. We would like to thank Mr. Stough for being very patient with us."

The moments that the JUNIORS *go through, having fun, doing their thing, and sharing it with the other classmen. Soon they will be going through the moment they have been waiting for so long. Time will wait for them while they strive for their credits. Many a moment will go by that the Juniors wish wouldn't go by so fast, but, it's just a part of growing up, and understanding, and moments they will never forget.*

The Students of Del Rio High eventually graduate and leave the school, but they usually come back as fans. The challenge of competition grabs everyone some time or another. However, the devoted few who work hard to compete have a special quality. Whether the ground they compete on is oval, rectangular or diamond shaped, there are fans for all SPORTS

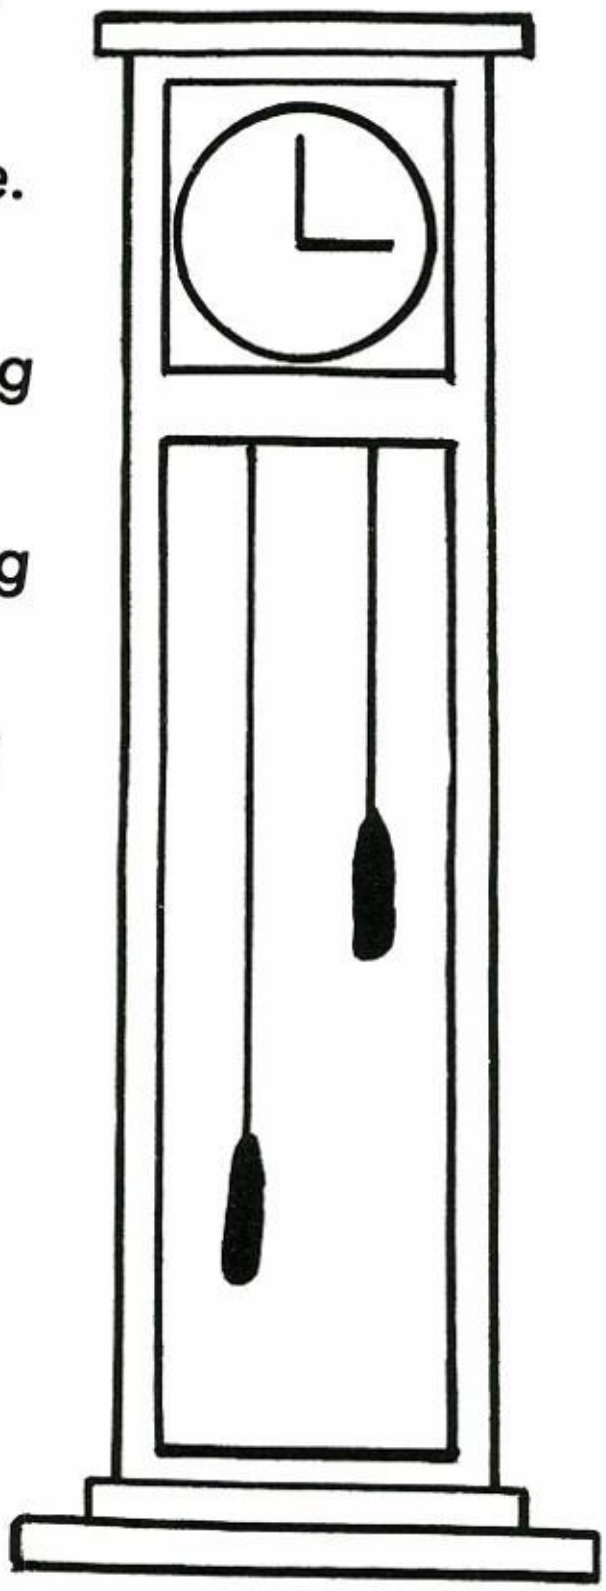
DEL RIO
RAMS

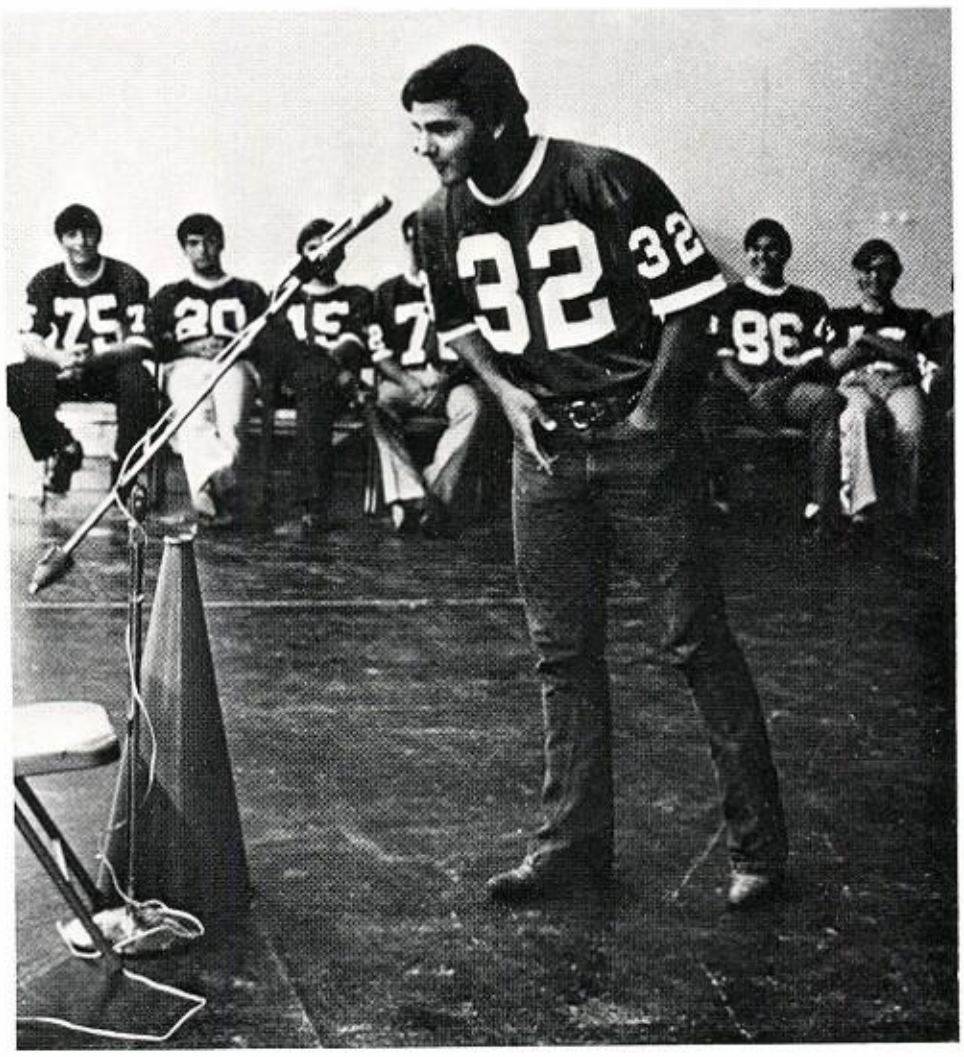
Tom Caldwell receives outstanding achievement award.

Coach Claude Fest delivers success speech.

ACTIVITY is an integral part of every school. Whether it be an organized effort or some spur-of-the-moment thing, it blends to form one image in the minds of all who participate. Time can never alter the memorable burning of the "R," the proud voices chanting "We're # 1," and the hilarious "Whistling Midgets." All these combine to form the picture in our minds symbolizing friendship, knowledge, sadness, love, and fun. These pages bring back many instances of club and independent participation and serve to take us back . . . .



Margie Hester conducts an on-the-spot interview: "What do YOU think of the Rams?" She asks Bertha Ortiz.



Stephen Quinones and Zaundra Best participate in the pep rallies.

Everybody takes part in this year's pep rallies.

I believe in the future which I am planning for myself in the field of distribution and th opportunities which my vocation offers.
I believe in fulfilling the highest measure of service to my vocation, my fellow beings, m country and my God—that by so doing, I will be rewarded with personal satisfaction an material wealth.
I believe in the democratic philosophies of private enterprise and competition and in th freedoms of this nation—that these philosophies allow for the fullest development of m individual abilities.

Graduation. It is the beginning and the end. It was the reason school began in the fall and it brings the school ear to a close.

Graduation is a happy time and yet a sad one. Remember when someone cared enough to help you with your ork when you came to a problem that seemed to have no answer. Remember when someone close to you ave you encouragement and hope when you almost threw your hands up and said "I give up!" Remember all he special someones whom you have run into on your long twelve year journey through school. Remembering all that is left now. The world has opened up her arms and accepted this years graduating Seniors into her pen wilderness. Our friends throughout many years are going their separate ways. Graduation is the last time l the Seniors come together and the first time we try our wings to see if, after twelve years of preparation, we an fly. We question. "Will I fly and soar above the mountains and valleys, or will I crash and break a wing that nly time can heal? We are going from a well trodded path into a wilderness. Will we survive? We will! We have he knowledge, confidence, hope and encouragement given to us by our new found friends. We have been iven the tools that will make us successful. We will succeed and triumph. We will accomplish things undream-d of.

After graduation there will be tears of joy and bliss and tears of sadness. Congratulations Seniors! You have ccomplished your first giant step of your life. Good luck in achieving all the other goals and dreams that you ay set for the rest of your life!
